THE TALK OF THE ROAD: Showing how Irish people talk about Irish doings, when they get a quiet place, at the back of a ditch, or under a hedge.

"A most interesting little volume, from the pen of one who seems to be well acquainted with the Irish character, and the doings of the priests in our sister island. We felt highly entertained by its perusal, and can cordially recommend it to our readers. That it will prove serviceable to the cause of truth, we doubt not. Missionaries to the Irish Roman Catholics will find in it a valuable assistant."—*Edinburgh Witness.*
